Sleeping Giant Trail System

Sleeping Giant State Park - Hamden, Connecticut

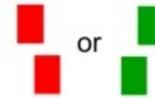

The Sleeping Giant Trail System is a project of the Sleeping Giant Park Association (SGPA), in cooperation with the Department of Energy and Environmental Protection of the State of Connecticut.

This trail system was designed by Norman A. Greist and Richard D. Elliott and constructed with the assistance of SGPA volunteers.

If you notice any problems in the park, please call the DEEP information hotline (860-424-3333). In an emergency, call 911.

GIANT MASTER TRAIL MAP

Two blazes, with one above the other, signify an abrupt turn in the trail. The upper blaze is offset in the direction of the turn.

Sleeping Giant Trail Ratings	East-West Trails Ratings & Length (miles)	North-South Trails (Red Blazes)
A - Hard, steep climbs, for experienced hikers	Yellow C 2.2	Diamond C 0.7
B - Steady ascent to crest from all trailheads	Orange B 2.4	Hexagon B 1.2
C - Mostly level, some rises	White A 2.7	Triangle B 1.2
